Fa a long long way to run
Sol a needle pulling thread
La a note to follow Sol

Play Ball

CHARGE! CHARGE!

Oh, what a day
To go to the ballpark.
I wanna shout hooray! (hooray!)
I like to hear the crack of the bat
As it sends the ball flying
Back, back, back.
One of these days,
I'll play in the majors.
I'll make the Hall of Fame.
Till that day I'm happy to stay Right
here at the baseball game!

Take me out to the ball game,
Take me out with the crowd.
Buy me some peanuts and
CrackerJack.
I don't care if I never get back.
Let me root, root, root for the home
team
If they don't win, it's a shame.
For it's one, two, three strikes, Your
out at the old ball game!

Take me out to the old ball game!

Do You Want to Build a Snowman?

JMC

Do you want to build a snowman?
Come on, let's go and play!
I never see you anymore.
Come out the door!
It's like you've gone away.
We used to be best buddies,
And now we're not.
I wish you would tell me why.
Do you want to build a snowman?
It doesn't have to be a snowman.
Ok, bye.

JXC

Do you want to build a snowman?
Or ride our bike around the halls?
I think some company is overdue;
I've started talking to
The pictures on the walls.
It gets a little lonely,
All these empty rooms.
Just watching the hours tick by.
Do you want to build a snowman?

JAC

Please, I know you're in there.
People are asking where you've
been.
They say, "Have courage,"
And I'm trying to;
I'm right out here for you,
Just let me in.
We only have each other;
It's just you and me.
What are we gonna do?
Do you want to build a snowman?

Let It Go

The snow glows white on the
mountain tonight;
Not a footprint to be seen.
A kingdom of isolation
And it looks like I'm the queen.
The wind is howling like the swirling
storm inside.
Couldn't keep it in; heaven knows I
tried.

Don't let them in;
Don't let them see;
Be the good girl you always have to
be.
Conceal, don't feel,
Don't let them know...
Well, now they know.

Let it Go, let it go;
Can't hold it back anymore.
Let it go, let it go'
Turn away and slam the door.
I don't care what they're going to
say;
Let the storm rage on.
The cold never bothered me
anyway.

It's funny how some distance
makes everything seems small
And the fears that once controlled
me
Can't get to me at all.

It's time to see what I can do.
To test the limits and break through.

No right, no wrong, no rules for me;
I'm free!

Let it go, let it go'
I am one with the wind and sky.
Let it go, let it go'
You'll never see me cry.
Here I stand,
And here I'll stay,
Let the storm rage on.

My power flurries through the air
and to the ground.
My soul is spiraling in frozen
fractals all around.
And one thought crystalizes like an
icy blast;
I'm never going back;
The past is in the past!

Let it go, let it go,
And I'll rise like the break of dawn.
Let it go, let it go;
that perfect girl is gone.
Here I stand
In the light of day;
Let the storm rage on.
The cold never bothered me
anyway.
