

All-School Concert Song-sheet

Anything is Possible - All

When I go to bed I peek out my window
Searching in the, dark, moonlit sky.
There she is, my bright star.
She's here to guide me.
Calling for my wishes to fly.

When I close my eyes
she whispers to me,
"What dreams do you hope will come
true?"
So I look in my heart and imagine myself
Soaring through the skies of blue

I long to explore the world around us,
The canyons, the forests, the seas.
I won't feel alone with my friends beside
me
Being strong, Being kind, reaching for
stars that shine

As the morning sunlight shines all around
us
Wond'ring what adventures we seek.
Anything that we choose, Anything that
we dream of,
Anything is possibleyou'll see

I Just Can't Remember - JXC, JAC

1. There's too much homework and not
enough time
Makes me just want to cry!
I feel like no one sees I'm trying my best...
I just want to finish, so I can take a rest!

Chorus:
Trouble seems to follow me wherever I go,
How can I remember all the things I'm
supposed to know?
Do your homework, brush your teeth, and
then when you're through....
One more thing now, go clean up your room!
I just can't remember it all.
What can I do?

2. Play with my friends, and then watch some
TV
What a day, that would be!
But too much homework keeps me glued to
my desk.
I just want to finish so I can take a rest!

Chorus

Breakfast Song

Time to get out of your bed, wake up!
It's wake up time, sleepyhead, wake up!
Get to the table on time, wake up!
Wake up! It's breakfast time.

Let's have some pancakes with syrup and
fruit,
It's yummy, yummy, don't you think?
But if you'd rather have some green eggs
and ham
Or waffles or muffins or toast with jam,
If you'd like to try something new,
Then, think of the yummiest breakfast that
you'd like to try, make your choice!

Oatmeal with berries on top, could be!
Rice, crispy, snap? Crackle, pop, could be!
Strawberries, covered with cream, could be!
Wake up! It's breakfast time!

Let's have an omelette fried in a pan, it's
yummy, yummy, don't you think?
But if you'd rather have some green eggs
and ham, or waffles, or muffins or toast with
jam,
If you'd like to try something new, then think
of the yummiest breakfast that you'd like to
try, make your choice!

Breakfast for you and me, wake up!
Think of how good it will be, wake up!
We will be chefs for a day, wake up!
Wake up! It's breakfast time!

Let's Go! - JMC only

1. Rise and shine is summertime so come on
let's go!
Let's go and find a tree,
climb a tall and leafy tree,
so we can see the country spread out down
below.

All-School Concert Song-sheet

Let's go riding over the hill
Wheels on the ground
Spinning around!

But as the sun is sinking
I know that you'll be thinking
Let's go! Now it's time to head for home.

2. Rise and Shine it's wintertime so come on
let's go!

Let's go and see a film,
Catch a favorite funny film,
Eating our popcorn as we watch the silver
screen.

Let's go skating down at the rink.
Blades on the ground, whirring around

But as the night is falling,
I know that you'll be calling,
Let's go! Now it's time to head for home.

Sometimes - JAC only

Sometimes I'm worried,
Sometimes I'm scared,
Sometimes I feel so unprepared.
Sometimes I want to,
Go run and hide,
Find a place for me to sit and cry.

Is someone there?
Does someone care?
Will someone come and sit here with me?

I feel anxious
When I' all alone.
I feel fearful when I think of the unknown.
Sometimes I don't know what I feel
Or what to do
That's when I may go and run and hide
But I want to talk to you

Are you there?
Can I share?
Will you come over and listen to me?
I feel alone,
Here on my own.
I really need you to listen to me.

Pizza - KEK and YMC

We're hungry and our stomachs, they are
growling
oh hear them roar (give me more!)
Oh hear the roar (give me more!)
And Chick-fil-a and Arby's and McDonald's
Are such a bore (we want more!)
Are such a bore (we want more!)

Now's the time for something thin and crispy
Or tossed by hand (in a pan!)
Or tossed my hand (in a pan!)
With double cheese and lots of pepperoni
Italianne (in a pan!)
Italianne (in a pan!)

Pizza! Pizza! Pizza if you please!
Beef and onion, but please no anchovies
I'll take it out or eat it here, or ask for home
delivery!
Charge it to my Visa please a pizza life for
me.

Across the land the pizza wars are raging
It's Pizza Hut (Domino's)
It's Pizza Hut (Domino's)
And now it's time for big decision making
It's Pizza Hut (Domino's)
It's Pizza Hut (Domino's)

Beware of crust that tastes a lot like
cardboard
Or so they say (what to you mean?)
Or so they say (that's a lie!)
But we're so hungry that it doesn't matter
Much anyway (let's eat!)
Much anyway (let's eat!)

Pizza pizza thick tomato paste
Lots of mozzarella on your face
So hurry up and slice it up
There's not a minute more to waste
With twenty seven toppings we can't miss a
single taste

Pizza pizza anytime of day.
Let's declare a pizza holiday
And when we do we're telling you
We're gonna shout "hip hip hooray!"
We'll keep eating pizza 'til they carry us...
away!!!! Hip, hip, hooray!!!
